

CARTA ABIERTA

Las organizaciones y personas abajo firmantes, en solidaridad con las y los sobrevivientes del terrorismo de Estado que luchan contra la impunidad en Guatemala, expresamos lo siguiente:

**Ante la llegada de la Comisión Rogatoria española,
el Estado de Guatemala debe cumplir con sus responsabilidades,
con el acompañamiento y la vigilancia de la comunidad internacional**

Guatemala, 29 de junio de 2006

Al Presidente de la República de Guatemala,
Al Presidente de la Corte Suprema de Justicia
Al Presidente del Congreso
Al Fiscal General
A nuestras representaciones diplomáticas acreditadas en Guatemala,

Hemos recibido con satisfacción la decisión del Tribunal Constitucional de España del 5 de octubre de 2005 que confirma la competencia de la justicia española para investigar y procesar los crímenes de lesa humanidad y genocidio cometidos en Guatemala, independientemente de la nacionalidad de las víctimas. Consideramos que representa un avance trascendental para la Justicia Universal y un apoyo importante a la lucha contra la impunidad en Guatemala.

Los hechos acaecidos en Guatemala durante el conflicto armado interno, ampliamente documentados en el informe de la Comisión para el Esclarecimiento Histórico de las Naciones Unidas, entre otros, incluyen al menos 626 masacres cometidas por las fuerzas del Estado y actos de genocidio. Lamentamos que la justicia guatemalteca haya sido incapaz, hasta ahora, de condenar a los responsables de estos crímenes a pesar de las múltiples denuncias y medios de prueba presentados por las y los sobrevivientes y otras/os activistas de derechos humanos. También nos preocupa que la misma impunidad se aplique a los ataques sufridos por dichas/os activistas, para los cuales no se ha procesado casi ningún responsable.

Por lo tanto, pedimos al Estado de Guatemala que demuestre su compromiso con los derechos humanos, la lucha contra la impunidad y la vigencia de un verdadero Estado de Derecho, apoyando activamente a las diligencias que realizará la comisión española a partir del 24 de junio para investigar los crímenes de genocidio, torturas y terrorismo acaecidos en Guatemala.

En particular le pedimos que cumpla con las peticiones de las defensoras y de los defensores implicados en este proceso, como por ejemplo las personas que prestarán testimonio, en cuanto a la protección de su seguridad física y psicológica. Se debe respetar también el trabajo que están realizando en el ámbito político por la justicia y contra la impunidad. En este sentido, es fundamental que los ataques contra activistas sean investigados y sus responsables condenados.

A nuestras representaciones diplomáticas acreditadas en Guatemala solicitamos que cumplan con su mandato de vigilar el respeto a los derechos humanos y que exijan al Estado de Guatemala que cumpla con su responsabilidad de protección de las defensoras y de los defensores, y de investigación de los ataques en su contra.

Reiteramos nuestro compromiso de acompañar la lucha contra la impunidad y mantenernos al tanto de la seguridad de las defensoras y de los defensores implicados en procesos penales por violaciones a los derechos humanos cometidas en Guatemala, en particular aquellas y aquellos que están aportando elementos de prueba a la Comisión Rogatoria española.

Desde ya agradecemos su atención y esperamos que, en el ejercicio de sus funciones, dé las órdenes y recomendaciones oportunas para que las entidades respectivas tomen las medidas necesarias para que este proceso judicial pueda llegar a su fin, sin nuevos actos de violencia contra las defensoras y los defensores de derechos humanos en Guatemala.
